Operating Hours during the Christmas Period

Water Services – Services Development will be closed for the Christmas period between

Thursday 23rd December 2010 and 8:00am Tuesday 4th January 2011

Please submit all drawing and requests for works by Wednesday 15th December for processing prior to Christams.

Services Development would like to wish you a very Merry Christmas and a safe and prosperous New Year. We look forward to seeing you in 2011.

Feedback

Feedback can be submitted using the [form](http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code/technical_requirements/connection_code_feedback) available from http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code/technical_requirements/connection_code_feedback

Word or PDF documents can be attached where necessary.

How can I get more information?

The Service Development Section of Power and Water administers the Connection Code and associated activities. This includes the asset creation, design and construction process for the Corporation's water supply and sewerage supply infrastructure. The Connection Code and Infrastructure Design Approval Process internet pages are available on our internet at http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code
